INTERFILIERE Shanghai 2023 will release the 2025 spring/summer fashion trends and color cards. It is exclusively for INTERFILIERE and the world trend agency CONCEPT PARIS Strategic cooperation helps people in the industry grasp the latest industry trends and endows them with the latest design ideas and inspiration.

JOS BERRY, who has more than 30 years of industry experience and was also the creative director of Embry, founded CONCEPTS PARIS, which enjoys a good reputation in the industry. Every fashion trend release is one of the most important industrial event.

# Sportiv' Forum

---

As exercise has gradually become a new lifestyle, the Sportiv' Forum has also emerged as the times require. In 2021, the "Lycra Group" exclusively named the area. In this forum, new technologies and new technologies of sports close-fitting fashion accessories will be exhibited.

# Green Planet

In recent years, sustainable development projects have become a new trend in the development of fabrics. INTERFILIERE has also incorporated this element into the exhibition, bringing environmental protection concepts to the frontier development of the industry, and at the same time building a platform for more companies.

Shanghai International Body Fashion Brand Show will open up upstream and downstream buyer resources for exhibitors. In addition to the presence of some e-commerce brands and traditional brands, new brands will also stand out through this platform. In 2021, brands such as Tmall Underwear, Auror Aalba, Naitang Pai, The Blender, Crème Su, E14, Her Senses, etc. came to show up at the show.
